

## § 67.20

45 CFR part 91—Nondiscrimination on the basis of age in DHHS programs or activities receiving Federal financial assistance

45 CFR part 92—Uniform administrative requirements for grants and cooperative agreements with State and local governments

45 CFR part 93—New restrictions on lobbying

### § 67.20 Confidentiality.

The confidentiality of identifying information obtained in the course of conducting or supporting grant and cooperative agreement activities under this subpart is protected by section 903(c) of the PHS Act. Specifically:

(a) No information obtained in the course of conducting or supporting grant and cooperative agreement activities under this subpart, if the entity or individual supplying the information or described in it is identifiable, may be used for any purpose other than the purpose for which it was supplied, unless the identifiable entity or individual supplying the information or described in it has consented to such other use, in the recorded form and manner as the Administrator may require; and

(b) No information obtained in the course of grant and cooperative agreement activities conducted or supported under this subpart maybe published or released in other form if the individual who supplied the information or who is described in it is identifiable, unless such individual has consented, in the recorded form and manner as the Administrator may require, to such publication or release.

### § 67.21 Control of data and availability of publications.

Except as otherwise provided in the terms and conditions of the award and subject to the confidentiality requirements of section 903(c) of the PHS Act, section 1142(d) of the Social Security Act, and § 67.20 of this subpart:

(a) All data collected or assembled for the purpose of carrying out health services research, evaluation, demonstration, or dissemination projects supported under this subpart shall be made available to the Administrator, upon request:

(b) All publications, reports, papers, statistics, or other materials developed from work supported, in whole or in part, by an award made under this sub-

part must be submitted to the Administrator in a timely manner. All such publications must include an acknowledgement that such materials are the results of, or describe, a grant activity supported by AHCPR;

(c) The AHCPR retains a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, use, or disseminate any copyrightable material developed in the course of or under a grant for any purpose consistent with AHCPR's statutory responsibilities, and to authorize others to do so for the accomplishment of AHCPR purposes; and

(d) Except for identifying information protected by section 903(c) of the PHS Act, the Administrator, as appropriate, will make information obtained with AHCPR grant support available, and arrange for dissemination of such information and material on as broad a basis as practicable and in such form as to make them as useful as possible to a variety of audiences, including health care providers, practitioners, consumers, educators, and policymakers.

### § 67.22 Additional conditions.

The Administrator may, with respect to any grant awarded under this subpart, impose additional conditions prior to or at the time of any award when in the Administrator's judgment such conditions are necessary to assure or protect advancement of the approved project, the interest of the public health, or the conservation of grant funds.

## Subpart B—Peer Review of Contracts for Health Services Research, Evaluation, Demonstration, and Dissemination Projects

### § 67.101 Purpose and scope.

(a) The regulations of this subpart apply to the peer review of contracts under:

(1) Title IX of the Public Health Service Act to support research, evaluation, demonstration, and dissemination projects, including conferences, on health care services and systems for
